## Rogers Pictures Lindbergh Home Scene with Baby in Leading Role

(Will Rogers Special)  
BEVERLY HILLS, Calif., March 3.—It wasn't enough for that Morrow family to lose the most able, fairest and broadest of our public men, then to have to be saddled with this. I am sure nothing could carry more sympathy. What a shock to everybody. But how much more of one it is when you have seen the mother and father, and the whole Morrow family for the cute little fellow. Two weeks ago Sunday, Mrs. Rogers and I spent the day with them. The whole family interest centered around him. He has his father's blond, curly hair, even more so than his dad's. It's almost golden and all in little curls. His face is more of his mother's. He has her eyes exactly. His mother sat on the floor in the sun parlor among all of us and played with him for an hour. His dad was pitching a soft sofa pillow at him as he was toddling around. The weight of it would knock him over. I asked Lindy whether he was rehearsing him for forced landings. After about the fourth time of being knocked over he did the cutest thing. He dropped of his own accord when he would see it coming. He was just stumbling and jabbering around like any kid 18 months old. He crawled up in the back of the Morrow automobile that was going to take us home and he howled like an Indian when they dragged him out. I wish we had taken him home with us and kept him.

## PUBLIC BARRED IN WIDE AREA AROUND HOME

Col. Lindbergh Reported Ready To Pay Ransom Demand, but Will Back Efforts To Run Criminals Down.

## NEWSPAPER "ARMY" REQUESTED TO LEAVE

Clear Area About Estate Moved Back Four Miles Today; Highways Patrolled; Police Check Clues Developing in Various Localities.

By The Associated Press  
HOPEWELL, N. J., March 3.—Col. Charles A. Lindbergh decided today to continue police pursuit of the kidnapers of his baby son, keeping police on the job and making every effort to run the criminals down.

After Gov. Harry Moore of New Jersey visited Col. Lindbergh it was learned that the suggestion had been made that Col. Lindbergh call off the police search and issue an appeal to the kidnapers to return the baby on a no-questions-asked basis.

Instantly Repudiates Proposal  
It was not revealed who made this suggestion but it was learned that Col. Lindbergh repudiated it instantly and forcefully and that he announced that instead of asking withdrawal of the police he would urge them to every possible effort.

In connection with the governor's visit it was learned approximately 300 persons have already been brought in to the sub-police station established in the Lindbergh garage for questioning.

Those questioned were from New York, New Jersey, Pennsylvania and other states.

It was impossible to learn whether this wholesale examination had resulted in any valuable clues.

## Area About Estate Cleared

Despite Col. Lindbergh's determination to aid police, for miles on either side of the Lindbergh estate the road was cleared to make easy the return of the kidnaper, reported to be demanding \$50,000 ransom, which Colonel Lindbergh is ready to pay.

Last night the army of reporters and photographers assigned to the kidnapping was requested to leave the estate for fear that if the kidnaper should bring the baby back he would be frightened at sight of the crowd and fail to stop.

## Area Enlarged on Strict Police Order

Today an even stricter order was issued and the police deadline was moved back to this village, almost four miles from the Lindbergh estate on one side, and to Ertsville, even farther away on the other.

Inside the area police constantly patrolled the highway and no one was allowed to park a car or even stop for a moment. No one not having legitimate business on the road was allowed to drive past the Lindbergh estate.

The reporters and photographers, some of whom had been billeted in the homes of neighbors of the Lindberghs, were forced to leave and withdraw here.

Reason for Action Clear  
No secret was made of the reason for thus isolating the Lindbergh home and it was acknowledged that with the estate and road cleared there were hopes the kidnaper or a representative might bring the baby back and demand the ransom.

Gov. Moore called on the Lindberghs today and afterward stated positively no contact had been made with the kidnappers of the Lindbergh baby either by the Lindberghs or police.

"There is absolutely no basis for the report that the baby's return is expected today," the governor added.

The governor also revealed that no finger prints had been found on the nursery window through which the kidnaper abducted the baby, or anywhere else.

Gov. Moore said that the Lindbergh garage had been turned into a sub-police station and equipped with 15 telephones, a police radio set and a telephone cut-in with a four-state police network.

He said the Lindberghs were bearing up well under the strain and that Col. Lindbergh had expressed to him appreciation of police endeavors.

"Do the Lindberghs have full hope that the baby will be returned to them?" the governor was asked by one of the half a hundred reporters who besieged him after his call at the Lindbergh home.

"I couldn't say about that," he replied.

All last night the Lindbergh home blazed with lights. For five miles it could be seen, standing against the black sky like a beacon inviting the baby's kidnappers to bring him back home, no matter the monetary cost. But the coming of a dull dawn found the little crib empty.

First Hospital Clues  
There was a hint of hope. First, the postcard, mailed in Newark yesterday.

terday and received by Col. Charles A. Lindbergh later in the day, stating that the baby was safe and for the man who flew the New York to Paris air trail to await further instructions.

Second, there was the intimation from the household itself that the child might possibly be restored to its parents today.

There was no explanation of the expression of belief that the 20-month-old baby would be returned today. Perhaps it was predicated upon negotiations with the kidnappers. Such negotiations, however, have been repeatedly denied.

So far as official communiques were concerned the most substantial clue in the hands of the authorities was the story told them by a Miss Keating, a waitress of Pennington, which is only a few miles from Hopewell.

Miss Keating said three men entered the restaurant where she is employed and inquired the way to the Lindbergh home. That was last Friday night. She gave them directions to reach the secluded \$50,000 estate.

Returned Tuesday Night  
The same three men returned to the restaurant Tuesday night. She remembered them distinctly. After a brief lunch, they left. Two hours after their departure, the Lindbergh baby was gone from his nursery.

The authorities regarded Miss Keating's information as highly important. She was taken by a state trooper to Newark and New York to study pictures in the rogues' galleries in the hope she might be able to identify photographs of the men. No report on the outcome of the journey to New York had been received here early today. At Newark, however, it was understood she selected several photographs, but there was no comment by the police.

Shortly after the visit to Newark, Miss Keating and the state police officer appeared at Jersey City police headquarters. Following

March 11 at 6 30 p. m. is the  
deadline for the filing of all de-  
clarations of candidacy. C. G. Ritz-  
ler, deputy clerk of the board of  
elections, announced yesterday.

**2,000 Must Register**  
Another deadline which concerns  
approximately 2,000 Marion resi-  
dents is the registration deadline  
at 11 30 p. m. April 19. Persons  
whose names are not properly  
registered with the election board  
by that time can not vote at the  
primary. Persons who have reached  
the age of 21 and who have not  
registered, those who have changed  
their name through marriage or  
divorce, and those who lost their  
registration rights by failing to  
vote at the last two regular elec-  
tions must register to be eligible  
to vote May 10. Persons who have  
changed their residence since their  
last registration must have their  
registration transferred by April  
19.

Six hundred names were with-  
drawn from the registration file  
this year because that number of  
Marionites failed to vote at the  
last two elections. Mr. Ritzler  
said this loss in the city's total  
registration of approximately 10,  
500 voters has been partially com-  
pensated by the registration of 125  
persons so far this year.

## When Your Cough Hangs On, Mix This at Home

For coughs due to colds, the best  
remedy that money could buy can easily  
be mixed at home. It saves money and  
gives you the most reliable, quick ac-  
tion medicine you ever used. The way  
to take hold of stubborn coughs, giving  
you exactly what is needed.  
Any drugstore can supply you with  
25¢ boxes of Pinex. Pour this into a  
pill bottle and fill up with plain gran-  
ulated sugar syrup or strained honey.  
It's no trouble at all to mix and when  
you use it you will never be with-  
out it. Keeps perfectly and tastes  
good. Children really like it.  
It is surprising how quickly this  
loosens the granulation phlegm, and  
softens the inflamed membranes. At  
the same time, part of the medicine  
is absorbed into the blood, where it  
acts directly on the bronchial tubes,  
and helps the system throw off the  
whole trouble. Even those severe  
coughs which follow cold epidemics  
are promptly ended.  
Pinex is a highly concentrated com-  
pound of Norway Pine, containing the  
active agent of creosote, in a refined,  
palatable form. Nothing known in  
medicine is more helpful in cases of  
severe coughs and bronchial irritations.  
Do not accept a substitute for Pinex.  
It is guaranteed to give prompt relief  
if money is refunded.

## The Stars Say— For Friday, March 4

THE lunar aspects bearing rule on the affairs of this day supported by the mutual aspects are significant of a day of surprising progress, prosperity and adventure. New ventures and unexpected opportunities for promotion with the assured cooperation of those in places of power and prestige are in order, while the faculties and forces will be under high stimulus to grasp these advantages with personal initiative and aggressiveness. Private affiliations may likewise develop some peculiar or unusual angles, with perhaps some trickery "smoked out."

Those whose birthday it is may look for a year of splendid opportunity, with great progress and prosperity, possibly coming from unexpected sources and cleverly grasped by personal initiative and aggression. Radical change may be necessary and the personal associations may develop intriguing or perplexing angles. A child born on this day may be expected to have rare talents, with originality and independence of thought and action, and initiative as well as social and domestic traits fitting it for high position and prestige.

## Lost Ugly Fat

Her Husband Says She Looks Five Years Younger!

There is a certain weight at which every woman looks her loveliest and skinniest and weight loss is the key to her beauty. We find artists, the best theatrical producers, and husbands all agreed upon this point. "My husband says I look five years younger," wrote this lady of 29 who, thanks to her daily use of Kruschen salts, has unburdened her body of 18 pounds of ugly fat. Read her letter.

"Having heard from a friend of mine that she lost considerable weight since taking Kruschen salts, I started using them in July last when I weighed 177 lbs. I have lost weight steadily since then and am now 159 lbs.—my present weight. Moreover, I feel brighter and more energetic in every way."

"I have inquired of my dressmaker my measurements which in August last were: Bust 40, hips 48, waist 32, inches which is normal for my height, which is 5 ft. 8 in. My age is 29. My husband is a very severe critic. He says I look five years younger. There is no other reason for my loss of weight except Kruschen, as I do not take any particular diet."

(Mrs.) S. R. London, England. A bottle of Kruschen salts that will last four weeks costs but a trifle—take as directed every morning. When the jar is empty get on the scales and see how many pounds you have lost. After that diet will help, cut down on pastry and fatty meats, go light on potatoes, butter, cream and sugar.

But remember this: To take off fat, laziness and SLEPPY, to care for your health, and that you lack for and get Kruschen salts. Get them at Henny & Coopers or any drugstore in the world and if the results are not brilliant do not doubt you do not fully satisfy you why money is so hard to get.

Marge seems to be hurt and reproachful at the news of Gar's marriage. She invites Gar in excited conversation about the doings of her crowd, pointedly excluding Kitty. Gar humorously tells Marge about the wedding, saying that "the bunch will get a great laugh out of it" and Kitty is ashamed of his flippancy about something that should matter deeply to them both. ## "Heart of a Wife"

BY ADELE GARRISON

Marion's Use of the Word "Boxer" Convinces Madge That Charles Owen Has Been Told of the Strong Box.

"MARION will be very glad to have you examine the envelopes in the secret compartment of her strong box."

I spoke the perfunctory words to Lee Chow almost subconsciously, so occupied was my brain with the question which had flashed into it at Marion's slip of three minutes before.

"Thank you—and her." He bowed low and backed toward the door.

"We probably shall send for it at once. As soon as it comes, your father wishes you to join us while Major Grantland and I explain some of the puzzling things about our intrusion last night."

The Problem of Marion's Slip "Please do not call it that," I said earnestly. "Neither of you could ever include upon us. Will you ask my father to let me know when he wishes me to join you? I shall be either in my own room or here."

"I will tell him," He bowed himself upon the promise, and I sat down in the nearest chair to consider again the problem that Marion's slip had presented to me.

Never, I was sure, had Marion heard from any one at the farmhouse of the theory that the secret compartment of the strong box

might contain something which her father had obtained during the Boxer rebellion in China. But if not from us, then there was but one conclusion. She had heard the theory from some one else who guessed perhaps, who knew the secret of the strong box.

She herself had spoken of the strong box to Carolyn but my common sense told me that not to such a flyaway as the lovable, rattle-brained young daughter of the Brixton house would any vital secret have been leaked. But Samuel Brixton had been in China with Tom Morton and I was sure that he had no secrets from his recently half-brother, Charles Owen, whose proposal of marriage to Marion, and her fascinated consideration of it, were giving us all such concern.

Marion must have told Owen, also, about the existence of the strong box, and I could imagine the romantic theories he had spun around the box for her entertainment.

But the fact that he had mentioned the Boxer rebellion, as I was certain he must have done, was just another proof to me that he and his half-brother had been the men behind the ransacking of the farmhouse, and the threats sent to us concerning the box.

But I knew something else, saw it most clearly. Until Marion was completely cured of her romantic

attraction for Charles Owen, no hint must be dropped to her that he was anything but a high-minded, chivalrous gentleman. I knew the "lame duck" complex of Lilian's young daughter, so like her mother in her mental and spiritual make-up. If any hint were given that we thought Owen guilty of crime and conspiracy, she not only would disbelieve the charges, but would be instantly aroused to impassioned defense of him.

Madge Makes a Decision Nothing we could do could so further the man's own plans as to make any accusation against him. I realized something else, also, that unless Harry Underwood so decided, I would not tell Lilian of the slip Marion had made. She was just beginning to "draw a free breath," as Mother Graham would say, after getting her young daughter safely home from the Brixton camp and the vicinity of Charles Owen.

I pigeon-holed that decision, with my speculations concerning the source of Marion's information upon the subject of the Boxer rebellion, and turned my attention to the reason for her hysterical sobbing so swiftly cut short by my knock upon her door. Had Carolyn informed her with gibbing comments upon Ronald's sudden interest in Mary, or had she?

I had left the nursery door ajar upon Lee Chow's leave taking, and through it Mary came swiftly, noiselessly, shutting it behind her and turning the key.

"Where's Marion?" she asked in low tones. "Have you seen her?" "Yes, she's in her room."

"Is she crying?" "Not now. I'm sure. She was when she first ran into her room. I heard her. But she stopped at my knock, and when she opened the door a minute later, nobody could have told that she had shed a tear. Why do you ask?"

## BUT they hadn't tried the New Oxydol

Of course a washing machine saves you work. But even if you haven't one, washing doesn't need to be the back-breaking job it used to be.

The New Oxydol beats dirt out safely in 15 minutes. Sprinkle it in your wash tub and you'll understand. It makes clothes more so—richer, quicker, longer-lasting so.

That's why this mild soap can save you so much work and time—its extra suds take the place of rubbing—they soak the dirt out of clothes and hold it out—they never collapse and for the dirt that won't—they never ball up or leave a seam.

Try the New Oxydol. See how much it lightens all your laundry. How easy it is on hands. It makes rich, clean, long-lasting clothes—and all water hardens when you use Oxydol.

## HARDING FIVE PREPS FOR TOURNEY CLASH AT DELAWARE FRIDAY

Presidents Hope To Capitalize on What Appears a "Break" in Drawings.

Having gained what is generally conceded to be a "break" in the drawings, Harding High's basketball team is preparing for the first clash of the class A district tournament at Delaware Friday night. The Presidents will take on Grandview High school in the opening tournament clash at 9 p. m.

Harding has already gone through the most successful season of several years in the North Central Ohio league. The Bohyermen are anxious now to go on and accomplish something worth while in the district tournament competition.

**Not the Toughest**  
In meeting Grandview the Presidents will not be called on to face the toughest team in the tourney. Grandview is entering the class A ranks for the first time this year and, while not by any means a weak team, should not present an attack strong enough to stop the Presidents if the Marion boys function as they have most of this season.

Should the Presidents get by Grandview, either South or West of Columbus will provide the next obstacle. Both of these teams have compiled records which indicate they are fairly strong but neither has more than a 50-50 chance of turning back Harding. The third game of the tourney should Harding crash its way through the first two, will be against either Circleville or Delaware. Circleville has already beaten Delaware this season and Harding romped all over the Delawareans early in the season so the Presidents would not be an underdog in a game with either of these teams.

**Last Drill Today**  
The Presidents will be put through their final practice session this afternoon on the shovel court. As yet it is extremely doubtful who will comprise the starting lineup of the Red and Black. The starting five has been more or less of a mystery all season and the more games the Presidents play the deeper the mystery becomes. Jack Ling is about the only certain starter. He will be at the pivot post and the forward combination will probably be chosen from John Blecher, Fred Vestal and Billie Hero. Who will start at the guards is uncertain. John Pickert and Don Lindsey appear the logical men to fill the posts, in view of their work in previous games but there is no assurance they will get the call.

Harding will take a squad of 10 men to Delaware, all that are allowed under tournament rules.

## RURAL CHURCH LOOP CLOSING PLAY FRIDAY

Caledonia, Green Camp Clash in Feature Game of Twin Bill at Y.

The Marion county Sunday school basketball league will conclude its first season of competition Friday night with the final games of an elimination tournament on the city Y. M. C. A. court. The league championship was decided some time ago in a season of regularly scheduled games. The present tourney will decide nothing in particular.

Caledonia and Green Camp will clash in the feature attraction Friday at 8:30 p. m. Both of these teams have won the right to play in the finals by disposing of the other four league members, Waldo, Pleasant, Morral and Prospect.

Waldo, winner of the league title but eliminated in the tournament, will play Pleasant Trinity Lutheran in the first game Friday night. The opening clash will start at 7:30 p. m.

Waldo will be presented a silver cup during the half-way intermission as a reward for having won the league championship. The cup is presented by the Jim Dugan clothing store to the championship team.

## TEAMS ARE EVENLY MATCHED FOR RACE

**By The Associated Press**  
NEW YORK, March 3.—One of the thrills of every indoor track season is the mile relay at the indoor intercollegiate and the indications are that the 1932 battle next Saturday will be no exception. The dozen teams are closely matched. At least three of them, Pennsylvania, the defending champion; New York university and Holy Cross have made unusually fast times this year and will likely be "seeded" in separate heats.

The teams of Georgetown, Colgate, Manhattan and Harvard also have turned in some fine performances.

## RAY SCHALK STEPS OUT OF BIG LEAGUE

**By The Associated Press**  
CHICAGO, March 3.—Baseball's mighty little "cracker," Ray Schalk, has ceased firing on the major league front.

When Schalk, familiarly known as "Cracker," signed up yesterday as manager of the Buffalo Bisons, one of the best known figures in baseball stepped out of the big show, probably for good.

As player, manager and coach, the "cracker" has been in the majors since 1912. As a catcher, he turned in one of the most brilliant careers in baseball history with the White Sox.

## Fesler Quits Baseball.

**By The Associated Press**  
COLUMBUS, O., March 3.—His contract with the Columbus American Association team expires Wednesday, Fesler, former all-American football star at Ohio State university, has ended his baseball career.

He signed the contract after his graduation last year.

## "Dizzy" Clamps On Soft Pedal at Cards' Camp

**By The Associated Press**  
BRADENTON, Fla., March 3.—The "grapefruit circuit" this year seems to be full of earnest young athletes in the grip of a reform wave.

One of the latest to make the turn to the right and clamp the soft pedal on his loud speaking facilities is Dizzy.

Dizzy came to the camp of the St. Louis Cardinals a year ago in full blast. He quickly ran into trouble and received a railroad ticket back to Houston, Texas. "That," softly remarked this 20-year-old boy who may set the National league on fire this year, "taught me the lesson of my young life. I went back to work again. Then I got married. Now you can tell 'em that old man Dizzy's here to keep his mouth shut most of the time and keep on working."

"I will tell you one big idea I have. I don't think it will be any tougher pitching in this league than it was in Texas. I don't worry about control because I have it. I don't mind admitting I have a high hard one that I can buzz through there. But here's the thing. Up in the big league a pitcher has better support and smarter. The other fellows do their share of the game. I don't figure I will have to bear down most of the time or keep pulling myself out of a hole. Of course it doesn't cramp my style any to be with the best club in the big leagues."

Down went 26 games, lost 10 with Houston last year.

## DRUMM HOLDS LEAD IN BILLIARDS LOOP

**By The Associated Press**  
COLUMBUS, O., March 3.—His contract with the Columbus American Association team expires Wednesday, Fesler, former all-American football star at Ohio State university, has ended his baseball career.

He signed the contract after his graduation last year.

Drumm's high run for the match was 27 against a high of 35 for Chase.

The date of the next match has not been announced.

## CHICAGOAN LEADING AMATEUR CUE PLAY

**By The Associated Press**  
FREEDHOLD, N. J., March 3.—Percy H. Collins of Chicago, six times a title holder led the field in the national amateur 182 ball-line billiards championship tournament today with three victories and no defeats.

Three players deadlocked for the lead with Collins at the end of the second day were defeated yesterday, but he came from behind last night to win from Ray V. Fessenden of Madison, Wis., western champion 200 to 230 in 31 minutes.

## "Y" WILL SPONSOR GIRLS' CAGE TOURNEY FOR MARION COUNTY

First Games Scheduled March 16; Changes Made in Boys' Tourney Rules.

Plans have been virtually completed for the staging on the Marion Y. M. C. A. court of a Marion county girls' basketball tournament. The tourney will get under way on Wednesday, March 16. Entries for the tourney will close on Tuesday, March 8, at 8 p. m.

There will be only one division of play and any girls under-graduate high school students will be eligible to play. Senior students may compete but undergraduates will not be permitted to play in order to protect their future eligibility for high school competition. Several teams have already indicated a desire to enter. Each team will be limited to 19 members and individual awards will be given the members of the winning team. Send girls rules will be placed with five players on each team.

A change has been made in the age limits of the four divisions of the seventh annual Marion county boys' tournament which will get under way at the Y on March 11.

The following is the corrected age limits of the four classes: class A, 18 years and over; class B, 17 and 18; class C, 15 and 16; and class D, 14 years or under. This change, made yesterday by Y. M. C. A. officials, gives a player who may be 18 years old the right to choose whether he will compete with a class A or class B team. A player can compete in only one division. Entries for the boys' tourney will also close on Tuesday, March 8, at 8 p. m. Entry blanks may be obtained from the Y. M. C. A. for either the boys' or girls' tournaments.

## LEAGUE WINNERS TO BATTLE FOR CROWN

Waldo, Christians Play March 12; All-Star Girls' Prelim Planned.

Waldo Reformed Sunday school of the Marion county league, Central Christian Sunday school, champions of the Marion city church circuit, will clash Saturday, March 12 on the Y. M. C. A. court for the Marion county basketball championship. Managers of both teams have agreed to the game.

Waldo won the county church title by losing but one game in the rural circuit and Central Christians was defeated but once in the Marion city loop. Both teams are strong and a fast battle is almost a certainty when they lock horns on the Y court. The natural rivalry which exists between the city and county teams will lend its share to making the game an interesting one.

An effort is being made to arrange a preliminary game to the Christian Waldo set to between two all-star Marion county girls' teams. Tacticians have been issued to approximately 20 of Marion county's best girl players to take part in this contest.

Members of the two all-star teams will be announced in The Star either the latter part of this week or the first of next. If all of the invitations to play are accepted, practically every community in the county will be represented.

## CALEDONIA WINS

Independent Team Wins Game from East Reformatory Five.

Flashing the best form shown in any game to date this season, the Caledonia Independent basketball team hung up a 35-34 decision over the fast Ohio state reformatory team at Mansfield. The defeat is only the twenty second in four seasons for the reformatory boys.

They have played 143 games. Second and third period scoring drives enabled Caledonia to defeat the Mansfielders. The Reformatory led 11-6 at the end of the first period but lost the advantage in the second period and never regained the lead. The Reformatory staged a high-powered rally in the last period, scoring 15 points and holding Caledonia scoreless but the game ended with Caledonia one point in the lead.

Baird, E. Reed and Brooks led the Caledonia attack. Baird scored 13 points.

GRAINS SCORE  
FRESH GAINS

Several Factors Tend To  
Have Bullish Influence  
On Market.

By The Associated Press  
CHICAGO, March 3.—Fresh upturns in grain values early today accompanied higher quotations on securities at New York and on wheat at Liverpool. Introduction of a senate bill at Washington to impound farm board wheat at less than 81 cents for No. 2 hard was also construed as bullish. Opening at a shade to 1/2% higher, Chicago wheat futures afterward held near the initial limit.

Corn started unchanged to 1/4 up and later kept firm.

Washington's proposals to prohibit the sale of farm board wheat at lower than 81 cents for No. 2 hard grades were interpreted by influential traders as showing a trend in congress to fix a practical minimum price for stabilization holdings which have been hanging over the market. Indications of a new cold wave developing in the Canadian northwest and of cold weather in domestic winter wheat territories were an additional incentive to buyers. Notice was also taken of advances that in central and southwestern Saskatchewan, where drought has been long continuing, depleted soil moisture has not been replenished.

A fair amount of overnight export business in North American wheat was announced. Famine reports were received from Russian districts east of Volga river. Corn and oats averaged higher with wheat.

Provisions were easy despite upturns in hog values.

## FOUR HELLS THEME OF REVIVAL SERMON

Mrs. Edna Beougher Hughes Takes Text from Luke 16:23.

The four hells in the heart, home, church and eternity, were the subject of a sermon last night by Mrs. Edna Beougher Hughes at Calvary Evangelical church. Her text was from Luke, 16:23, "And in hell he lifted up his eyes, being in torments." The altar call was omitted last night. Mrs. Hughes will preach tonight on the subject, "The Prodigal Son Now and Ten Years Later."

"I believe there is a hell because the Word plainly says there is," she declared. "There is another reason why I believe there is a hell; there is so much hellishness going on in the world."

Excerpts from her sermon follow:

"The first hell I am speaking about is hell in the heart. Hell in the heart is the cause of the crimes committed today."

"The second hell is in your home. If you have hell in your heart you must have hell in your home, for your home is a reflection of your heart."

"The third hell is in the church. If you are in the church and doing work and are not full consecrated, you are a channel through which the devil can work."

"The fourth hell is in eternity. Hell in eternity is a place where you will remember the message of the preacher who almost won you to Christ. There will be no rest in hell, nor love. There will be many church members in hell, but there will be no babies there."

### SORE THROAT

FIVE minutes after you rub on Musterole your throat should begin to feel less sore! Continue the treatment **once every hour for five hours** and you'll be astonished at the relief. This famous blend of oil of mustard, camphor, menthol and other ingredients brings relief naturally. Musterole gets action because it is a "counter-irritant"—not just a salve—it penetrates and stimulates blood circulation and helps to draw out infection and pain. Used by millions for 20 years. Recommended by doctors and nurses.

To Mothers—Musterole is also made in milder form for babies and small children. Ask for Children's Musterole.

TONOPAH, Nev.—Some clean-up! The Gold Hill Development company's mill, near here, was cleaned up. It netted two bars of gold bullion worth \$11,000.

The International telephoto above shows the manner in which the world famous Lindbergh baby is believed to have been kidnapped from his home near Hopewell, N. J. Detectives have placed the ladder, used by the abductors, beneath the window of the baby's nursery, reconstructing the crime.

## Barney Barnes Can Now Eat Anything He Chooses

"I got so I couldn't eat anything without having trouble afterwards," says Mr. Barney Barnes, popular old rig builder, of 221 1/2 West Grand Avenue, Oklahoma City, Okla. "I would have heartburn, and indigestion pains after meals."

"Nothing seemed to help me. I tried everything I could hear of but my indigestion hung on for years."

"Then a friend got me to take some Pape's Diapessin. I had almost immediate relief with the first two tablets. Now that I have been taking them for some time, I find I can eat meats or most anything and have no trouble. I want to tell others about Diapessin because it sure helped me."

Thousands like Mr. Barnes are finding quick, certain relief for sour stomach, or acidity, by using Pape's Diapessin. Chew a tablet and that feeling of weight and discomfort after eating just disappears.
